

South Island Ultimate Safari

New Zealand is the country for off road experiences and now the ultimate off-road, all terrain experience is available and you can go where no 4X4 dares to travel.

This is possible in all-terrain Hagglands tracked vehicles. They're designed for the extreme demands of military use and harsh Antarctic environment. Mud, swamps, snow and water, nothing stops them.

This vehicle can seat up to 16 people on each trip, so it's perfect for your friends and the whole family.

Our drivers are experienced. Safety for you, your family and friends is paramount. All our vehicles are specifically built to take on the terrain - you'll not believe what they can do!

We can tailor make your adventure experience for hunting, fishing and sightseeing. Fly by helicopter to the remote high country of Hanmer Springs and return to your hotel door by specialist overland vehicles.

After an amazing day out in the wild relax in Hanmer Springs 14 hot mineral open pools under starry sky of the South Island.
